Revised 7/2014

DBHDS Licensing Process Overview

When applying for Department of Behavioral Health and Developmental Services (DBHDS, it is important for all applicants to understand the DBHDS licensing process and related issues. Due to the high volume of applications, the entire licensing process could take six to twelve months to complete. This time period should be expected, unless the Department of Behavioral Health and Developmental Services (DBHDS) determines that the service and/or location of the service is addressing a priority need. However, in an effort to expedite the licensing process, we are revising the process - the initial application and attachments and the policies and procedures portions will be combined. Please be mindful that incomplete applications, applications that fail to adequately address all licensing regulations or provider delays in providing requested information can further extend the licensing process.

- 1. Until you are confident of being near the end of the licensing process, please delay:
 - buying a home for a service,
 - renting office space,
 - buying insurance, &
 - hiring staff.

However, you should be collecting and submitting resumes for prospective staff for critical positions, identifying potential property locations and getting insurance quotes because these items will be required during the application phase.

- 2. Review your business plan including how you expect to get referrals for your program. A License $\underline{does\ not}$ guarantee sufficient referrals to sustain a business. This is $\underline{especially}$ true where a large number of providers \underline{may} already \underline{exist} including Intensive In-Home, Day Treatment for Children, ID Group Homes and Children Residential Group Homes.
- 3. Be sure to provide the requested information listed on the application. Please follow the "Policy and Procedure Review Checklist" when submitting your Policies and Procedures.

The DBHDS 5-Phase Licensing Process is as follows:

PHASE ONE:

- 1. New applicants will submit the following information as one packet for review:
 - A completed Licensing Application with the required attachments AND
 - The Licensing Policies and Procedures (P & Ps)

To expedite the licensing process, the focus of the P & P review will be on specific policies, but the applicant is required to complete and submit **ALL** policies and sign the P & P verification information confirming that all policies have been completed and submitted. The licensing specialist will determine the final approval of the Licensing Policies as part of the onsite inspection.

PHASE TWO:

- 1. The applicant will complete the **Human Rights Policies and Procedures**/Human Rights Affiliation process. The applicant is issued a letter from the Office Human Rights directing the applicant to pursue a human rights affiliation with the local human committee.
- 2. The applicant will $\underline{register}$ with the DBHDS Background Investigation Unit to initiate the Criminal Background Check process.
- 3. The applicant will $\underline{\text{contact}}$ the Virginia Department of Social Services to complete the **Central Registry** Check process.

PHASE THREE:

- 1. The Office of Licensing will assign a licensing specialist to the applicant.
- 2. The licensing specialist will complete the Onsite Inspection Process. During the inspection, the Licensing Specialist will review the physical facility or administrative office and conduct knowledge based interviews with the Service Director, CEO, licensed staff, etc. to determine if the staff has a working knowledge of the service. The licensing specialist will determine the final approval of the Licensing Policies and procedures as part of the onsite inspection. Once the onsite inspection is completed, the Licensing specialist will make a licensing recommendation to the Office of Licensing management staff for review, who then, will forward the recommendation to the DBHDS Commissioner for the final approval.

PHASE FOUR:

1. While the applicant is waiting for the licensing recommendation's approval from the DBHDS Commissioner, the applicant may request a <u>Pending Letter</u> from the specialist. The licensing specialist will initiate the pending letter and will submit it to the applicant via email. The pending letter will serve as the <u>authorized license</u> until the finalized license is received. Medicaid is notified via the pending letter, so the new Provider may begin providing services.

PHASE FIVE

1. The finalized license is mailed to the provider.

Department of Behavioral Health and Developmental Services [DBHDS] Office of Licensing

PROCESS FOR LICENSING

APPLICANTS: Please review this document carefully. It explains the process for DBHDS licensing, the documents required, and the steps involved in the process.

To be licensed by DBHDS the applicant must:

- 1. Submit and receive preliminary approval of the initial application, [and required attachments]; and required licensing policies, procedures and forms;
- 2. Submit and receive approval of required Human Rights Policies and Procedures process/verification;
- 3. Affiliate with a Local Human Rights Committee, (LHRC),
- 4. Request the LHRC to approve the applicant's Human Rights Policies and Procedures:
- 5. Set up an account and request criminal history and central registry background investigations for identified staff as required by Virginia Code § 37.1-183.3, and submit Child Protective Services reference checks.
- 6. Have an on-site review of the physical plant, to include interviews with applicants over the content of their service description and policies and procedures, as well as compliance with other regulations, and copies of forms and sample client and personnel records,

INITIAL APPLICATION

- 1. The prospective applicant obtains an "Initial Application Packet." All of the required documents are available to be downloaded from the DBHDS website: http://www.dbhds.virginia.gov/OL-Application.htm. Using the website is a faster way to obtain these documents. Applicants who experience problems may request the package by telephone, (804) 786-1747, by facsimile, (804) 692-0066, or in writing to: The Office of Licensing, DBHDS, P. O. Box 1797, Richmond, Virginia 23218.
- 2. The **Initial Application Packet** consists of the following:
 - a. A copy of the "Initial Application;"
 - b. A copy of the *Rules and Regulations for the Licensing of Providers* of the Department of Behavioral Health and Developmental Services;
 - c. A copy of Human Rights Regulations, the Rules and Regulations to Assure the Rights of Individuals Receiving Services from Providers of the Department of Behavioral Health and Developmental Services;
 - d. A "matrix" of which Regulations generally apply to the services licensed by the Department;
 - e. A staffing pattern schedule sheet; and
 - f. A listing of the Human Rights Regional Advocates with a map of each Advocate's area of responsibility
- 3. The applicant submits the completed application, along with all required attachments to the Office of Licensing in Richmond. It is important to note here that these materials are not all that will be required of the applicant.

- 4. The application is assigned to a Review Staff (RS). The RS reviews the application materials to determine if the application is complete, including the submission of all attachments. **INCOMPLETE APPLICATIONS WILL NOT BE REVIEWED AND WILL BE RETURNED TO**THE APPLICANT. If the applicant is unable to submit some part of the application, the applicant should contact the Office of Licensing to discuss this.
- 5. If the application is complete, the RS will review the application to determine if the service described by the applicant is licensed by the DBHDS. This is referred to as "subjectivity." The RS will determine subjectivity by reviewing the applicant's service description to determine what services will be provided to individuals who are diagnosed with mental illness, substance abuse, developmental disabilities, or who are mentally retarded. Virginia Code §37.2-405, defines "service" to "mean individually planned interventions intended to reduce or ameliorate mental illness, mental retardation or substance addiction or abuse through care, treatment, training, habilitation, or other supports that are delivered by a provider to individuals with mental illness, mental retardation or substance addiction or abuse..."
- 6. If the RS determines that the service to be provided by the applicant is NOT SUBJECT to licensing by DBHDS, the application will be returned to the applicant with a letter explaining that determination.
- 7. If the application is complete, and determined to be subject to licensing by the DBHDS, but there are questions about the application, the RS will contact the applicant by email/mail. While the Office of Licensing is happy to answer applicant questions regarding how the applicable regulations are interpreted, it is unable to provide "consulting services" to assist applicants in writing their program descriptions, polices, procedures or to develop forms.
- 8. Once determined to be subject to licensing, the RS will notify the applicant regarding subjectivity and the completeness of the application.
- 9. The **Background Investigation Unit** should be contacted at 804-786-6384 to set up an account and request applicable background checks.
- 10. Once the applicant has been notified that the application is subject to licensing, they should begin developing policies and procedures in compliance with *The Rules and Regulations to Assure the Rights of Individuals Receiving Services from Providers Licensed, Funded or Operated by the Department of Behavioral Health and Developmental Services* (human rights regulations).
- 11. Working with the Office of Human Rights, the applicant must:
 - a. Develop policies that are in compliance with The Rules and Regulations to Assure the Rights of Individuals Receiving Services from Providers Licensed, Funded or Operated by the Department of Department of Behavioral Health and Developmental Services Submit verification of provider compliance with the human rights regulations, using the Human Rights Compliance Verification form (enclosed), to Margaret Walsh, Director of the Office of Human Rights. By submitting this form the provider is verifying that it has written all policies, developed all documents and has knowledge and understanding as required by the human rights regulations.
 - b. Once the verification form is received and confirmed, the applicant may then:
 - c. Contact the Regional Human Rights Advocate to pursue an affiliation with a Local Human Rights Committee (LHRC); and
 - d. Receive LHRC review and/or approval of required policies and procedures.

Additional copies of the Human Rights Regulations and the Human Rights Compliance Verification Form as well as other information about the Office of Human Rights can be found on the DBHDS website: http://www.dbhds.virginia.gov/OHR-default.htm. The Office of Human Rights can also tell the applicant who their Regional Advocate will be. Margaret Walsh and the Office of Human Rights can be contacted by phone at 804-786-3988, by mail to 1220 Bank Street, Richmond VA 23218, via fax at 804-371-2308 or email at margaret.walsh@dbhds.virginia.gov.

POLICIES AND PROCEDURES

The applicant develops and submits policies, procedures, and forms, as required by regulation. Either the RS or a licensing specialist may review these policies and procedures. The applicant should also register for criminal history and central registry checks to the DBHDS Office of Human Resources Management and Development, for the owner and all identified staff. All copies of service descriptions, policies, procedures and forms should have a footer noting the date they were developed (or revised) and page numbers.

WHAT ARE ACCEPTABLE POLICIES AND PROCEDURES?

Applicants should carefully read the regulations to determine when a written policy or procedure is required. A written policy is required when the regulation calls for a "written policy," "written documentation," "procedure," or "plan." "Policy" defines what the plan, or guiding principle of the organization is, as related to the required regulation; "procedures" are the process (or steps) the applicant takes to ensure the policy is carried out. Procedures should answer the questions of who, where and how a policy will be implemented. **Policies and procedures are not the re-statement of a regulation.** Applicants may also need to develop other policies to guide the delivery of services even when not required by the regulations.

COMPLIANCE PLANS

The Office of Licensing will inform the applicant of needed revisions through a "compliance plan." Compliance plans cite the specific regulation with which the applicant is not yet in compliance and provide a brief narrative explaining why the regulation has not been met. The applicant makes the required corrections and submits a written description of the action taken to the Office of Licensing by the due date indicated on the compliance plan. This is a "plan of corrective action." The Office of Licensing determines if the plan of corrective action is acceptable and in compliance with the regulations.

BACKGROUND IINVESTIGATIONS

Virginia Code § 37.2-416 requires that staff are subject to criminal history and central registry background checks to determine their eligibility to work in services licensed by the DBHDS. *After* the determination of subjectivity, the applicant should contact the Background Investigations Unit to obtain the procedures for completion of these background checks. Ms. Malinda Roberts is the contact in that office. You can reach Ms. Roberts by calling (804) 786-6384. The applicant does not have to have completed background checks prior to being licensed; however, they must be registered with that office and have requested background checks prior to licensing. (The applicant must maintain copies of all such requests in confidential personnel records).

ON-SITE REVIEW

When the policies, procedures, and forms have been reviewed and approved, an on-site review of the facility where services will be delivered will be scheduled. This on-site visit verifies compliance with several regulations pertaining to:

7

- 1. The physical plant,
- 2. Personnel: personnel records must be complete for all personnel, and include evidence of completed applications for employment, evidence of required training and orientation, reference checks, and evidence of requests for background investigations,
- 3. Evidence of insurance as required under §12 VAC 35-105-220,
- 4. Client records, (a sample client record).
- 5. The applicant's knowledge of and ability to implement the service description and policies and procedures,
- 6. Staffing, as evidenced by the applicant having trained, submitted criminal background and CPS checks, and oriented enough staff to begin service operation, (to include relief staff).
- 7. Submission, for the OL files, of a COMPLETE and FINAL copy of the service description, policies, and procedures.

FINAL STEPS

- 1. Achieving compliance with Licensing and Human Rights Regulations are generally concurrent processes. However, while the applicant must be in compliance with the regulations of both offices prior to being issued a license, they are separate processes. Each office independently reviews compliance with its own regulations.
- 2. When the applicant is deemed to be in compliance with all applicable regulations [both Licensing and Human Rights], the Office of Licensing makes a recommendation to issue a license to the Commissioner. Only the Commissioner can issue a license.
- 3. Providers may not begin service operation until they have received written notification that they are licensed.
- 4. All new applicants are issued conditional licenses for a period not to exceed six (6) months.

DENIAL OF A LICENSE

An application may be denied by the Commissioner if an applicant:

- 1. The provider or applicant has violated any provisions of Article 2 (§ 37.2-403 et seq.) of Chapter 4 of Title 37.2 of the Code of Virginia or these licensing regulations;
- 2. The provider's or applicant's conduct or practices are detrimental to the welfare of any individual receiving services or in violation of human rights identified in § 37.2-400 of the Code of Virginia or the human rights regulations (12VAC35-115);
- 3. The provider or applicant permits, aids, or abets the commission of an illegal act;
- 4. The provider or applicant fails or refuses to submit reports or to make records available as requested by the department;
- 5. The provider or applicant refuses to admit a representative of the department who displays a state-issued photo identification to the premises;
- 6. The provider or applicant fails to submit or implement an adequate corrective action plan; or
- 7. The provider or applicant submits any misleading or false information to the department.

<u>NOTE:</u> Should an application be denied, applicants may have to wait at least six months before they can re-apply pursuant to Virginia Code § 37.2-418.

REQUIRED INITIAL APPLICATION ATTACHMENTS

A complete application for licensing by the Department of Behavioral Health and Developmental Services, [DBHDS], includes **all of** the following

	REQUIRED ATTACHMENTS	Regulations Reference
1.	The Completed Application form,	§35-105-40(A)
2.	Applicant's proposed working budget for the year,	§35-105-40(A)
3.	Evidence of financial resources or a line of credit sufficient to cover estimated operating expenses for ninety-days,	§35-105-40(A)(2), 210(A)
4.	A copy of the organizational structure, showing the relationship of the management and leadership to the service,	§35-105-40 & §190(B)
5.	A description of the applicant's program that addresses all the requirements, including admission, exclusion, continued stay, discharge/termination criteria, and a copy of the proposed program schedule, descriptions of all services or interventions proposed,	§35-105-40(B)(3) & 580(C) §570
6.	The applicant's Records Management policies addressing all the requirements of regulation,	§35-105-40 & §390, §870(A)
7.	A schedule of the proposed staffing plan, relief staffing plan, comprehensive supervision plan,	§35-105-590
8.	Resumes of all identified staff, particularly, Service Director, QMHP, QMRP, and Licensed Staff required for the service, if applicable.	§35-105-420
9.	Copies of all position (job) descriptions that address all the requirements (Position descriptions for Case management, ICT and PACT services must address additional regulations),	§35-105-410
10.	Evidence of the applicant's authority to conduct business in the Commonwealth of Virginia. Generally this will be a copy of the applicant's State Corporation Commission Certificate,	§35-105-40(A)(3) and §190(A)(2)
11.	A certificate of occupancy for the building where services are to be provided, except home based services	§35-105-260
	And for Residential Services	
12.	A copy of the building floor plan, outlining the dimensions of each room,	§35-105-40 (B)(5)
13.	A current health inspection, and	§35-105-290
14.	A current fire inspection for residential services serving over eight (8) residents	§35-105-320

All copies of service descriptions, policies, procedures, and forms should have page numbers and a "header" or "footer" indicating the date it was created or revised.

Please DO NOT submit materials in plastic cover sheets or permanent binders.

INCOMPLETE APPLICATIONS WILL BE RETURNED TO THE APPLICANT

Department of Behavioral Health and Developmental Services Office of Licensing

QMHP/QMRP/QPPMH DEFINITIONS:

"Qualified Mental Health Professional-Adult (QMHP-A)" means a person in the human services field who is trained and experienced in providing psychiatric or mental health services to individuals who have a mental illness; including:

- (i) a doctor of medicine or osteopathy licensed in Virginia;
- (ii) a doctor of medicine or osteopathy, specializing in psychiatry and licensed in Virginia;
- (iii) an individual with a master's degree in psychology from an accredited college or university with at least one year of clinical experience;
- (iv) a social worker: an individual with at least a bachelor's degree in human services or related field (social work, psychology, psychiatric rehabilitation, sociology, counseling, vocational rehabilitation, human services counseling or other degree deemed equivalent to those described) from an accredited college and with at least one year of clinical experience providing direct services to individuals with a diagnosis of mental illness;
- (v) a person with at least a bachelor's degree from an accredited college in an unrelated field that includes at least 15 semester credits (or equivalent) in a human services field and who has at least three years of clinical experience;
- (vi) a Certified Psychiatric Rehabilitation Provider (CPRP) registered with the United States Psychiatric Rehabilitation Association (USPRA); (vii) a registered nurse licensed in Virginia with at least one year of clinical experience; or
- (viii) any other licensed mental health professional.

"Qualified Mental Health Professional-Child (QMHP-C)" means a person in the human services field who is trained and experienced in providing psychiatric or mental health services to children who have a mental illness.

To qualify as a QMHP-C, the individual must have the designated clinical experience and must either:

- (i) be a doctor of medicine or osteopathy licensed in Virginia;
- (ii) have a master's degree in psychology from an accredited college or university with at least one year of clinical experience with children and adolescents:
- (iii) have a social work bachelor's or master's degree from an accredited college or university with at least one year of documented clinical experience with children or adolescents;
- (iv) be a registered nurse with at least one year of clinical experience with children and adolescents;
- (v) have at least a bachelor's degree in a human services field or in special education from an accredited college with at least one year of clinical experience with children and adolescents, or
- (vi) be a licensed mental health professional.

"Qualified Mental Health Professional-Eligible (QMHP-E)" means a person who has:

- (i) at least a bachelor's degree in a human service field or special education from an accredited college without one year of clinical experience or
- (ii) at least a bachelor's degree in a nonrelated field and is enrolled in a master's or doctoral clinical program, taking the equivalent of at least three credit hours per semester and is employed by a provider that has a triennial license issued by the department and has a department and DMAS-approved supervision training program.

<u>"Qualified Mental Retardation Professional</u> (QMRP)" means a person who possesses at least one year of documented experience working directly with individuals who have mental retardation (intellectual disability) or other developmental disabilities and one of the following credentials:

- (i) a doctor of medicine or osteopathy licensed in Virginia,
- (ii) a registered nurse licensed in Virginia, or
- (iii) completion of at least a bachelor's degree in a human services field, including, but not limited to sociology, social work, special education, rehabilitation counseling, or psychology.

Revised 7/2014

"Qualified Paraprofessional in Mental Health (QPPMH)" means a person who must, at a minimum, meet one of the following criteria:

- (i) registered with the United States Psychiatric Association (USPRA) as an Associate Psychiatric Rehabilitation Provider (APRP);
- (ii) has an associate's degree in a related field (social work, psychology, psychiatric rehabilitation, sociology, counseling, vocational rehabilitation, human services counseling) and at least one year of experience providing direct services to individuals with a diagnosis of mental illness; or
- (iii) has a minimum of 90 hours classroom training and 12 weeks of experience under the direct personal supervision of a QMHP-Adult providing services to individuals with mental illness and at least one year of experience (including the 12 weeks of supervised experience).

QMHPs must have with at least one year of clinical experience providing direct services (developing, conducting, and approving assessments and individual service plans or treatment plans) to persons with a diagnosis of mental illness.

<u>QMRPs</u> must have at least one year of documented experience providing direct services <u>(developing, conducting, and approving assessments and individual service plans)</u> with individuals with a diagnosis of an intellectual disability (mental retardation) or other developmental disabilities.

QMHP/QMRP Guidance:

The QMHP/QMRP position provides direction, development and implementation, direct supervision and monitoring (observation and evaluation of staff implementing care, service plans & interacting with clients) to the service provided. This position has responsibility for approving assessments and individual service plans or treatment plans to ensure that appropriate services are provided to meet the needs of the individuals serviced. The QMRP or QMHP must have documented experience <u>developing</u>, <u>conducting</u>, <u>and approving</u> <u>assessments and individual service plans treatment plans</u>.

12 VAC 35-105-590 states an individual could meet the requirements for a QMHP or QMRP if he has "equivalent experience."

<u>Equivalent Experience</u> is defined as *five years of paid experience* in providing direction, development and implementation, direct supervision and monitoring (observation and evaluation of staff implementing care, service plans & interacting with clients) to the service provided. This position has responsibility for approving assessments and individual service plans or treatment plans to ensure that appropriate services are provided to meet the needs of the individuals serviced. The QMHP or QMRP *must have documented experience developing, conducting, and approving assessments and individual service plans or treatment plans*.

The <u>OMHP/QMRP</u> POSITIONS ARE NOT INTENTED FOR INDIVIDUALS WHOSE EXPERIENCE IS LIMITED TO IMPLEMENTING AND MONITORING PLANS, ATTENDING IEP OR TEAM MEETINGS ONLY.

Department of Behavioral Health and Developmental Services

<u>Direct Care Staff in Intellectual Disability (ID) and</u> <u>Developmental Disability (DD) Services</u>

Knowledge, Skills and Abilities

Knowledge of the some characteristics and concepts of mental retardation, mental health, health disorders and related physical conditions and treatment approaches for children.

Knowledge of simple nursing care, first-aid, behavior management, personal and environmental hygiene.

Ability to implement and follow the policies and procedures of the department, facility or service entity.

Ability to engage in the care, training and rehabilitation of physically and mentally retarded clients or mentally ill.

Ability to provide basic nursing care, personal care and hygiene.

Ability to perform established training, care and programmatic activities.

Ability to teach clients eating, bathing, dressing, grooming and other self care skills.

Ability to participate with professional staff in the design and implementation of training and programmatic activities.

Ability to observe the rights and personal dignity of others.

Ability to observe, record and report clients' behavior, attitude and physical condition.

Ability to perform simple math and communicate effectively, both orally and written.

Ability to maintain effective working relationships with clients and other employees.

Minimum Qualifications Training:

Education equivalent to graduation from high school.

Experience:

One year of full-time or equivalent part-time paid or volunteer experience in the care, training, habilitation and development of the mentally retarded, developmentally disabled, physically challenged or mentally ill children.

DIRECT SUPPORT PROFESSIONAL TRAINING THROUGH THE COLLEGE OF DIRECT SUPPORT

Virginia Department of Behavioral Health and Developmental Services, Virginia Department of Business Assistance and System Stakeholders Partner for Increased Direct Support Professional Training through the College of Direct Support

The Virginia Department of Behavioral Health and Developmental Services, the Virginia Department of Business Assistance and System Stakeholders are partnering to kick-off a six-month interactive, web-based training program for direct support professionals working for community services boards, state training centers and private providers. This six-month demonstration program will provide on-line courses through the College of Direct Support, a nationally recognized, validated training program designed to enhance the knowledge and skills of direct service professionals.

A number of providers from across Virginia will participate in this demonstration program, including: Community-Based Services, Inc; NHS Mid-Atlantic, Inc.; Lumzy's Residential Services; Richmond Residential Services, Inc.; Dan-Poe-Dil, Inc.; Association for Retarded Citizens, Petersburg Area, Inc.; Virginia Baptist Children's Home & Family Services, Inc; SOC Enterprises; ServiceSource; Chesterfield Community Services Board; Henrico Area MH&R Services; Rappahannock Area Community Services Board; Region Ten Community Services Board; Valley Community Services Board; Southside Virginia Training Center; and Northern Virginia Training Center. With the assistance of the Virginia Department of Business Assistance, private providers across Virginia are afforded the opportunity to participate in this valuable program.

The College of Direct Support demonstration program offers participants an array of training modules designed to deepen and enhance the important roles of caregivers, teachers, mentors, counselors, community connectors, and friends in the lives of the people with developmental disabilities. Eleven modules, or fifty-six lessons, will be made available to employees of participating organizations. Courses will cover such topics as Developmental Disabilities, Positive Behavior Supports and Individual Rights and Choice. Over the next six months, the partnership will evaluate the feasibility of implementing this distance education learning tool on a statewide basis.

More information on the College of Direct Support can be found at www.collegeofdirectsupport.com or by contacting India Sue Ridout, Workforce Development Manager at DBHDS, at 804-786-4089 or india.ridout@co.dbdhs.virginia.gov.

Revised 7/2014

Department of Behavioral Health and Developmental Services

Policy and Procedure (Sample #1)

Area: HEALTH AND SAFET	Y	No: 12 VAC 35-105-700	Page 1 of 2 pages
Title: Crisis Intervention and Emergencies	Issued: 11/10/10	Revised: 1/2012	

POLICY:

It will be the policy of Hunt and Peck, LLC that all direct care staff members are trained to intervene in crisis situations that require either the use of basic first aid/CPR or psychological crisis that may respond to verbal attempts to de-escalate. Staff are also expected to be able to identify a medical or psychiatric emergency and take immediate and appropriate measures, as outlined in policy, to address such emergencies.

PROCEDURES:

Within the first thirty days (30) of employment, attempts will be made to have all direct care staff of Hunt and Peck will be certified in first aid, CPR, behavior management techniques consistent with the Hunt and Peck, LLC behavior management and human rights plans.

No staff member will be assigned to work alone at any Hunt and Peck, LLC location without another staff member who is current in First Aid/CPR, behavior management training and medication administration certification.

Staff trained in first aid will first address all injuries or illnesses involving consumers. Direct care staff members will be not be required to determine if an injury or illness is "minor" or "major". All such illnesses or injuries shall be reported to the Program Nurse or Clinical Coordinator.

Staff will document in the consumer's Health Information Record all such injuries and illnesses, including the interventions staff applied. Staff members involved will complete incident reports.

The Program Nurse, and/or the Clinical Coordinator will determine if the consumer's primary care physician should be contacted for further medical guidance. If required, an appointment will be scheduled with the physician and the Program Nurse will transport the consumer to the appointment, requesting the physician to complete the Medical Appointment form (Form #7).

Staff members who sustain minor injuries on the job will be directed to their primary care physician if care beyond primary first aid id required. Incident reports must be completed for staff injuries.

If any injury or illness is determined to be "minor", but requiring urgent medical attention, staff may transport the consumer or staff member in vehicles owned by Hunt and Peck, LLC (for consumer injuries/illness) or private automobiles, for injuries or illness involving staff, to appropriate medical attention, (either primary case physician or local emergency room).

			Revised //2014
Area: HEALTH AND SAFETY	•	No: 23	Page 2 of 2 pages
Title: Crisis Intervention	Issued:	Revised:	Revised:
and Emergencies	11/10/10	1/2012	

Occasionally the behavior of consumers at Hunt and Peck, LLC may escalate into what may appear to be agitating, threatening or out of control actions. Staff members are expected to use the skill they have mastered in behavior management training to attempt to verbally de-escalate such consumers. Only in an absolute emergency, where the immediate safety of the consumer, other consumers or staff members is threatened, may Hunt and Peck staff physically intervene to physically restrain a consumer. Such physical restraint will follow the guidelines of Hunt and Peck, LLC behavior management and Human Rights Policies and Procedures and may only be used by staff trained in these procedures.

Many of the consumers at Hunt and Peck, LLC are also under a physician's care. Staff should check the Medication Administration Record (MAR) to determine if there is an existing physician order for a PRN medication for agitation. If such an order is present, the consumer should be offered this medication. As with any medication, the administration of the PRN medication must appropriately be documented on the MAR.

At all times staff are expected to protect all consumers. If attempts at de-escalation of an out of control consumer are ineffective, staff will attempt to get the consumer to separate from others around them. If possible, at least two staff members should accompany any out of control consumer.

If attempts at separation are unsuccessful, staff are to remove all other consumers for the area of threat.

UNACCEPTABLE

This policy would not be accepted BECAUSE it:

DIBILIDS

- is not numbered according to the regulation,
- has not addressed <u>all</u> the elements of the regulation,
- does not define what constitutes a crisis or behavioral, medical or psychiatric emergency,
- does not it give clear instructions for staff to follow in the event of a Crisis or an Emergency, etc.

Note: How well policies and procedures developed and are used train your staff, could determine the health and safety, life or death of the clients you provide services and supports to.

Department of Behavioral Health and Developmental Services

Policy and Procedure (Sample #2)

Area: HEALTH AND SAFETY MANAGEMENT | Policy: 12 VAC 35-105-720 | Page 5 of 6 pages

Title: 720 Medical Management Issued: 1/10/2010 Revised: 1/2012 Focus: Infection Control Measures

These universal precautions shall be provided, in writing, to all employees, interns, volunteers and resident upon association the Rion's Hope program.

In the event that potentially infectious or bodily fluids are exposed, staff will be required to clean and disinfect the area to prevent harmful effects due to direct contact with these materials. The following actions must be adhered by <u>all staff</u> to ensure that they are properly cleaned.

For any exposure to potential for spills or splatters of or direct contact with blood, urine, feces, semen or any other bodily fluids; Rion's Hope staff, volunteers, or students interns must use the following procedures:

- 1. Retrieve the necessary supplies from the closet in the staff's off or the closet in the kitchen to cover themselves from direct contact with potentially infectious material. Such items include gloves, goggles, a protective gown, shoe covers and a mask.
- 1. After properly putting the needed items on for protection, retrieve the pre-prepared bleach and water solution and towels (10 cups of water to 1 cup of bleach) for use in cleaning the exposed area. These items can be found in the closet in staff's office.
- 2. Use a <u>RED trash bag</u> (red bags used only in such cases) to collect any exposed clothing, cleaning towels or other items, which may need to be discarded due to exposure.
- 3. After cleaning is completed, carefully view the area to ensure that all the harmful material has been removed.
- 4. Place any remaining towels or items including the protective gown, gloves, and facial masks into the red bag. Tie the red bag and place it inside of another red bag before placing it into the facility's dumpster.
- 5. All persons involved <u>must wash their hands thoroughly</u> before returning to any other activity.

The Rion's Hope program shall maintain a well-stocked first aid kit in the home at all times. This kit shall contain items that will be used to support any minor injuries and medical emergencies to residents an staff who may experience an injury or require treatment. In addition to the items in the first aid kit, the Rion's Hope program will keep a regular stock of band-aids, rubbing alcohol and peroxide to ensure that such items in the first aid kit are not depleted. The first aid kit will be monitored regularly for items that may need to be replenished. The first aid kit must accompany staff when residents are taken any road trips; however, the console compartment of the vehicle will also house alcohol pads and band-aids on a regular basis.

ACCEPTABLE

This policy and procedure would be accepted because it:

- is numbered according to the regulation for easy review by staff,
- gives very CLEAR, CONCISE instructions,
- identifies who, what, how, where and why of the policy- for <u>all employees</u>, <u>interns</u>, <u>volunteers and residents</u> relative to the infection control measures that will be used should potentially infectious or bodily fluids are exposed.

Note: How well policies and procedures developed and are used train your staff, could determine the health and safety, life or death of the clients you provide services and supports to.
